

SURREY YOUTH TRAINING CHOIR

Teacher Recommendation for Membership

The Surrey County Youth Choirs are open to new members at any time and singers are not required to receive a recommendation from their teacher to attend. However, teachers in schools are well-placed to spot young singers who will thrive in an out-of-school county-level choir.

If you have a singer in your school who you'd like to recommend for membership in one of the Surrey county-level choirs, please complete the following and give it to your student to take home.

**I recommend _____ for membership
of the Surrey Youth Training Choir (no experience necessary, ages 9-13)**

Teacher name: _____ **School:** _____

Age of student: _____

Comments: _____

Teacher signature: _____ **Date:** _____
